

Noel Missouri Concrete Ground Storage Tank - CPP Sprayliner 61

Project Details

Located near the popular Elk River in Noel, MO, this concrete ground storage tank was in serious need of a new lining system, and Epoxytec's CPP Sprayliner 61 was the right product for the job. After thoroughly abrading the surface, Mongan Painting, LLC. applied the material in a single coat application at 80.0-125.0 mils. The excellent teamwork between Olsson, Mongan, and Epoxytec/Tnemec ensured the project was done on time without any issue.
